

PROTECT YOUR BOAT FROM HARSH WINTER ELEMENTS WITH SHRINK-WRAPPING. KEEP IT SAFE, DRY AND CLEAN!

A Preferred Shrink-wrap Provider for 25+ Years!

As a Port of Sunnyside Marina-preferred shrink-wrap vendor, let our 25+ years of experience at **JL Boat Works** take care of your boat for the winter months to come. Shrink-wrapping is crucial to the protection of your investment. By using our shrink-wrap program, you will protect your boat from snow and ice build up, along with other elements of winter that can damage the appearance and structure of your boat leading to expensive work in the future.

Please fill out the information below and hand in to **Sunnyside Marina** or fax back to **JL Boat Works** (number listed below).

2023 SHRINK-WRAP PRICING

Length	Price	Length	Price	Length	Price
Up to 23'	\$18.45/ft	35' - 38'	\$24.90/ft	50' +	\$30.40/ft
24' - 29'	20.80/ft	39' - 44'	26.75/ft	Zipper Door	75.00
30' - 34'	22.65/ft	45' - 49'	29.50/ft	XL Zipper Door	100.00

Recycling Fee: \$1.00/ft. Due to the current economical constraints in the recycling world, finding a place to recycle shrink-wrap has become increasingly difficult and expensive. Our recycling fee ensures that the used shrink-wrap gets recycled and does not end up in a landfill.

Shrink-wrapping will be completed within 24 to 72 hrs after the boat has been pulled and winterized, contingent upon weather. Remove and/or lower any bimini tops and store your isinglass inside of your boat or in a safe place. JL Boat Works will be coordinating shrink-wrap with the Port of Sunnyside Marina to ensure all boats are covered in ample time.

Yes, Install a zipper access door on my boat. **Front - Back, Side: R or L** (please circle).

Customer Name _____ E-mail _____

Address _____ City _____ State _____ Zip _____

Phone Numbers _____ Boat Manufacturer _____

Overall Boat Length (LOA) _____ Boat Name _____

Boaters, we will be moving to a length overall (LOA) billing style for shrink-wrap. With the advent of extended swim platforms, dinghy's, PWC and other boating accessories adding to the overall length of boats, we want to make sure everyone is paying accordingly for their boat. We will be using a laser measuring device to accurately measure the overall length of each clients boat when we shrink-wrap them and bill accordingly. Please keep this in mind, as actual length of your boat may change from last years billing.

Optional Payment Method: (NOTE - If payment is not received within 30 days, late charges may apply.)

Credit Card # (MasterCard or Visa) _____ Exp Date _____ CVV # _____

Signature (With or Without Credit Card) _____ Date _____

JL Boat Works will not be responsible for any vinyl enclosures, plexi-glass windscreens, equipment mounted to radar arches, hard top and pulpits. This includes antennas, lights and radars. We will also not be responsible for old wore out equipment and boats that have been poorly maintained. Nor will we be responsible for any acts of nature, high winds and heavy snow falls. We will not be responsible for any boat that the shrink-wrap has been cut in to or altered in any way. But in the protection of your boats, we will be consistently monitoring them in the attempt to control heavy snowfall and damaged wrap. If you are concerned about the damage of any of the areas listed above, please contact us and the storage and removal of these items can be arranged for a nominal fee.
